The original O'Carrs owned and operated by June and Cameron Carr
in Homewood, Alabama, opened in November of 1975 as an ice
cream parlor. It progressed into an outstanding delicatessen, as
more folks wanted to sit and visit while they shopped, the deli natu-
rally evolved into a restaurant.

We see the dishes we create as a delectable work of art. Presentation
is considered an integral part of the dining experience...as festive,
and exciting as the occasion. At O'Carrs we strive to make every
meal a celebration.

All our foods are nutritionally prepared, blanched instead of boiled,
to retain higher vitamin and mineral contents. Serving the freshest
ingredients has been the hallmark of this fine organization.

The use of color in the restaurant is grounded in our mantra "Eat
By Color". Each color represents a part of the philosophy our grand-
mother taught us...a balanced diet is essential to healthy life. The
colors of the color wheel are represented literally by the food prepared
at O'Carrs. We will dazzle your eye and tempt your palate.

Just like in our original ice cream parlor, our milkshakes are still
made the old fashioned way. Our cheesecakes are fresh baked -
